

Hi everyone!

We blew past our first goal for our community fundraise and I just wanted to say a huge thank you, your support means the world. I'm incredibly grateful to all of you who've trusted Bloomy with your events, your practice, and your communities.

**Before we open the raise publicly next week, I want to invite you, the people who've built Bloomy alongside us, to join as investors. We kept the minimum investment at \$100 so it's accessible to everyone in our community who wants to be part of what comes next!**

You can find all info about investing here: <https://wefunder.com/bloomy/>

Your investment helps us:

- Expand Bloomy nationwide
- Open our first two event venues in LA & NYC in Q1 2026
- Build the next version of our software & brand network
- Support more hosts, creators and wellness communities

If you want to talk through anything or jam on the vision, you can schedule time with me [here](#).

Thank you for being such a meaningful part of Bloomy.

Best,  
Bray
