today we're opening something special: an opportunity for our community to invest in Bloomy & become owners in what we're building.

at the heart of **Bloomy**,
is the community that builds it every day.

every event, every connection,
every moment of shared movement & mindfulness.
our community made this possible.

as we look to the future,
this an invitation to our community to help shape
the future of wellness, connection, and creator-led experiences.

A future where hosts & instructors earn what they deserve,
brands build real communities,
and people find belonging.
