

Hi everyone!

I wanted to share something super exciting with you: Bloomy is launching our [community fundraiser](#)! After an amazing first 7 months of growth, we're raising capital to grow Bloomy nationwide, expand our software products & online marketplace and launch our first two in-person social wellness hubs in LA & NYC!

As we raise from professional startup investors, I wanted to invite you, our Bloomy community, to invest as well so that you can actually own a piece of Bloomy's mission and success as we grow together.

You can find all of the details for the fundraiser [here](#). I've kept the minimum at \$100 to allow access for all of the Bloomy community to be involved and I would love to have you around the table!

Let me know if you have any questions or want to hop on a call to learn more! Feel free to grab time with me [here](#).

Best,  
Bray
