## **Recognition:**

**Skorch'd Pizza LLC (DBA Skorch'd Pizza)** started with the simple frustration of owners Patrick and Steven Clifford not being able to find what they considered to be great pizza without traveling hundreds or thousands of miles across the country. Opening a restaurant was never their intention, but great pizza became their obsession. They meticulously sampled flours, hydration percentages, every tomato product and mozzarella cheese that they could get their hands on in search of the perfect cheese pizza. Which is not only their favorite pizza, but the fundamental slice of any pizzeria worth eating at. They set out to create authentic Northeast thin crust pizza that's made with intention, not shortcuts, and they think they nailed it!

## **About:**

**Skorch'd Pizza LLC (DBA Skorch'd Pizza)** is about bold flavors, scratch-made everything, doing pizza their way - crispy, unapologetic and a little rebellious. They're from Boston, would you expect anything less?
