Hi there,

If you've been following along and deciding whether to participate, I wanted to share a quick update.

### Progress so far

- Ranked **#11 out of 2,123** live campaigns on Wefunder based on weekly investments (and we're not public yet)
- **Nearly half of the early bird allocation has been reserved**

p!ng opens soon to the full Wefunder community. At that point, remaining early bird allocation will close quickly and these friends & family terms will no longer be available.

[Reserve here](#): (minimum investment is \$250, takes just a few minutes)

### Momentum on our side

- Our new podcast "*The Morning p!ng*" launches soon (a behind-the-scenes on how we're building)
- Android app has officially launched
- Our brand new [website](#) is now live!

As always, if you want to talk through anything (tech, numbers, or just a gut check), just hit reply. We're happy to connect.

Can't stop, won't stop,

Rob & Jane
