Be, Joshua, &amp; Immanuela,

Thank you for taking the time to meet today, we'd be thrilled to welcome you to participate in our mission to bring credible search & discovery to women's h

Follow up items:

1. Terms recap:

1. SAFE ([read more here](#)) 20% discount/ \$6M valuation early believer terms
2. Investment request - \$5k (unlocks our WeFunder SPV)
3. Other investments committed - \$27k

1. [GenWell Deck](#) - this is a live link so you'll continue to have the most recent version. Highlighting the link to the early [product demo](#) here as well.

2. Ongoing collaboration/support:

1. Beta product testing + product/user experience feedback - we want to make this product as sticky and useful as possible, something we can use, and want to use.
2. Network introductions- angels, mentors, advisors (health, advertising, social commerce, data/AI)

Joshua- please send any questions here and we will send responses asap!

Cheers,

Eris
