Filmmaker | Editor | CMO, Roll Craft LLC
Los Angeles Metropolitan Area

Summary

"The foundation of film art is editing." V. Pudovkin

To understand editing is to realize the power of moving pictures. With my background in film and television editing, I am always looking to tell the right story in the best way possible. I am an award winning screenwriter and filmmaker with a Master of Fine Arts degree in Digital Cinema. On weekends I play boardgames and travel.

Experience

FREELANCE

Editor

May 2000 - Present (25 years 11 months)

Los Angeles Metropolitan Area

I am a collaborative professional editor with over 20 years experience specializing in Avid, Final Cut and Premiere Pro. Great with Frankenbites, music editing, and layered effects.
