Ray Harner

Chief Executive Officer at Standard H2, Inc.
Ravenna, Ohio, United States

Summary

I am a lifelong entrepreneur, business leader, and proud Ohio native whose career has been defined by hard work, innovation, and a commitment to building successful businesses. Born and raised in Streetsboro Ohio, I graduated from Streetsboro High School in 1968 before serving the country in the United States Army from 1969 to 1971. Following my military service, I pursued my entrepreneurial vision by founding Harner Plumbing, Inc. in 1977 with just one employee. Under my leadership, the company has grown into one of the region's premier plumbing contractors, employing approximately 65 people and earning a reputation for quality workmanship, integrity, and exceptional customer service. Throughout my career, I have expended my business interests across multiple industries, demonstrating a remarkable ability to identify opportunities and build successful enterprises. In addition to owning Harner Plumbing, Inc., I've own 43 Laundromat, several rental properties, Catacel, and USA Fasteners. I currently serve as Chief Executive Officer of Standard H2 Inc., H2 Final Filter Inc., and Amor Feline Inc., where I continue to lead innovation and strategic growth.With nearly five decades of entrepreneurial experience, I am recognized for my leadership, business acumen, and dedication to creating jobs and contributing to the economic vitality of my community. My journey - from military service to founding and growing multiple successful companies - reflects a lifelong commitment to perseverance, innovation, and excellence in business.

Experience

AMOR FELINE

Chief Executive Officer
April 2026 - Present (8 months)
Ravenna, Ohio, United States

Leading AMOR FELINE's growth and commercialization of an innovative cat litter odor eliminator. Focused on product development, retail and distribution
