We are over 30% of the way to our 50k goal for fan ownership in the Toros!

We have raised more in Wefunder than any other American football team in history already, but we still have a goal to hit!

Not sure what to get Dad this Christmas?

Are you last minute shopping for gifts?

How about buying him ownership in a pro football team?!?

The more you buy, the more swag that comes with it like jerseys and official balls!

Check it out! 📌

As we get closer to game day, all activity around the team is ramping up, including in our public investment portion of the company!

We had 9 new investors today alone!
