HUMIDORS CLUB INTERNATIONAL

Alexandra Mederos

CHIEF EXECUTIVE OFFICER | HUMIDORS CLUB INTERNATIONAL CORP.

Alexandra Mederos brings extensive hands-on leadership experience in the cigar industry, with a background spanning import and export coordination, nationwide distribution, sales operations, personnel management, and business administration. Her work integrates customer relationships with the operational systems, logistics, and teams needed to deliver consistently.

From 2008 to 2010, Alexandra held a federal import/export license and coordinated cigar shipments entering the United States through U.S. Customs and Border Protection. She oversaw inbound shipment logistics, warehouse allocation, inventory distribution, and nationwide order fulfillment, aligning product availability with customer demand and delivery requirements.

From 2010 through 2026, Alexandra managed operations for The Humidors Club LLC, directing the administrative functions that support daily business activity. Her responsibilities included supervising sales representatives, coordinating human resources and personnel, managing operational priorities, and supporting customer service from initial order through fulfillment and follow-up. She also coordinated company events, aligning staffing, logistics, inventory, and customer engagement.

Her broader professional experience includes leadership within a legal department and work across the medical and pharmaceutical sectors. She has managed human resources, business affairs, risk management, insurance renewals, and negotiations. This multidisciplinary experience informs a practical leadership approach centered on organizational discipline, accountability, and strong working relationships.
