Maringá, Paraná, Brazil

Summary

Clikvo is a next-generation social platform desianed for creators. communities. and rea connections.

We combine short-form video, intelligent feeds and community-driven experiences to give users a space to express themselves, discover content, and qrow together.

Our mission is simple: build a platform where your voice matters and your world expands.

Experience

Clikyo

Founder & CEO
December 2025 - Present (1 year)
São Paulo, Brazil

Clikyo is a next-generation social platform designed to help creators and young professionals connect beyond borders.

Built with a global vision, Clikyo focuses on creating meaningful interactions, giving every user a real opportunity to be seen, and removing the limitations of traditional social networks.

We are rethinking how people connect, share, and grow in a borderless digital world.
